

REMARKS

Following a response mailed November 20, 2005 to an Office Action mailed June 2, 2005, the specification of the present application has been further amended herein to update the priority claim. In particular, Applicants have amended the priority claim references listed in the "Cross References to Related Applications" section of the specification. During a review of this application file pursuant to recent discussions with the Examiner following the response mailed November 2, 2005, and pursuant to discussions with representatives of the current assignee of record (Color Kinetics, Inc.), it was noted that the priority claim was incomplete. Accordingly, the specification has been amended to include additional references in the priority claim. Applicants have enclosed herewith a Petition Under 37 CFR 1.78(a)(3) for Acceptance of an Unintentionally Delayed Claim for Priority Under 35 U.S.C. §120, together with this amendment, a statement that the amended benefit claim is unintentionally delayed, and the required surcharge.

Favorable action is requested.

Respectfully submitted,
